For:

2 Passengers

To join us on the oldest form of flight known to man. This is the ultimate air adventure, offering you the fascination of free flight with a panoramic view over scenic countryside.

Our flights take place at sunrise every day of the week weather permitting. Our retrieval vehicle will transport you to the launch site for an hour flight.

On landing were ever that may be, we toast the flight with Sparkling Wine and /or Orange Juice and a breakfast at the venue where you will be presented with a commemorative certificate

Physical considerations

All passengers must be capable of standing for the duration of the flight, and enter and exit the basket unassisted. If there is any question regarding physical suitability or health limitations please consult your doctor, and advise us of your concerns, before confirming a booking. We will do all that we can to accommodate prospective passengers. However we reserve the right to refuse anyone who in our opinion would be a safety liability to themselves or other on the flight.

We consider it unsafe to fly when pregnant, or have any form of brittle bone diseases.

What to Wear & What to Bring

Clothing should be layered, keeping in mind the early morning chill of dawn, and the sunshine on landing. Walking shoes are a must as you will be landing in the fields and climbing into and out of a basket. Hats or caps are recommended as the balloon heats up prior to take-off can be a bit warm. Cameras with extra film and batteries, binoculars and even a cell phone may be brought on board but the pilot and crew do not take responsibility for any damage or loss of articles.

Meeting times 30 Minutes prior to launch

Balloon flights take place in the early morning when the air is most stable.
